PROFESSIONAL SUMMARY

I am a passionate and results-driven **2nd-year B.Sc. Computer Science student** with hands-on experience in **Web Development** through a 4-week virtual internship at CodSoft, where I successfully contributed to designing and deploying responsive web applications. Proficient in **HTML, CSS, JavaScript,** and other web technologies, I have demonstrated strong problem-solving skills, teamwork, and a commitment to delivering high-quality project outcomes within deadlines.

Additionally, I have completed an **NPTEL course in IoT with an Elite certification (68%)-** , showcasing my ability to learn and adapt to emerging technologies. My active participation in webinars and boot camps highlights my enthusiasm for continuous learning and staying updated on industry trends. With a strong foundation in programming and a proactive approach to tackling challenges, I am eager to bring value to innovative projects and collaborate effectively in dynamic team environments.
